

# THE FIRST INTERNATIONAL EXHIBITION STONE IN ARCHITECTURE AND ART

**Venue:** Šumadija fair, Save Kovačevića bb, 34 000 Kragujevac.

**Organizers:** Associations: Stone of Serbia and Stone Studio from Belgrade, Faculty of Applied Arts in Belgrade, Faculty of Philology and Arts - FILUM Kragujevac, Association of Serbian Architects, Faculty of Architecture in Belgrade, Faculty of Architecture in Zagreb, School of Masonry Pučišća-Croatia, Magazine „Kamen“ („Stone“), agency „MAG 1995“ Kragujevac.

The goal of the first international exhibition **STONE IN ARCHITECTURE AND ART** is to gather institutions and individuals from the fields of architecture, painting and sculpture and all others who use stone in their creative work in order to materialize their spirituality.

The exhibition is divided into three thematic areas:

1. Architecture
2. Wall painting
3. Sculpture

For each thematic area, the jury will select the three best papers which the organizer and sponsors of the exhibition will award with diplomas, financial and material awards.

Thanks to STONEEXPO04, the scientific international Conference HARMONY OF NATURE AND SPIRITUALITY IN STONE and the exhibition STONE IN ARCHITECTURE AND ART, the participants and visitors of the international expo of stone STONEEXPO04, 15-18 March 2012, will have the opportunity to familiarize themselves with the equipment, machines and tools for exploitation and processing of stone, resources and methods of protection and restauration, types of rocks, marble and granite and all aspects of their usage in architecture, construction and other industries, but also with stone as the material in which one materializes human spirituality from the very first civilizations until this day.
